All accepted candidates must confirm their acceptance of the position offer by sending an email to eska-msc@chemeng.ntua.gr **no later than August 24, 2026**. Failure to respond within this deadline will result in the offer being withdrawn. In case there are positions available, they will be given to a candidate from the shortlist.

Registration and declaration of courses for the MSc “Energy Systems and Sustainability” will be carried out electronically from September 21, 2026, to October 9, 2026, through the Secretariat of the School of Chemical Engineering of NTUA.

Graduate students are also entitled to register in the postgraduate program, under the condition of presenting a certificate from their Diploma Thesis examination committee confirming that they have successfully defended their thesis and have no outstanding courses.

Courses for the academic year 2026–2027 will begin on **September 28, 2026**. Details will be announced on the MSc Program website (<https://eska.chemeng.ntua.gr/>) in September.

Όλοι οι υποψήφιοι που γίνονται αποδεκτοί οφείλουν να επιβεβαιώσουν την αποδοχή της προσφοράς θέσης στέλνοντας email στη διεύθυνση eska-msc@chemeng.ntua.gr το αργότερο έως τις **24 Αυγούστου 2026**. Η μη απάντηση εντός της προθεσμίας αυτής θα οδηγήσει σε απόσυρση της προσφοράς. Σε περίπτωση που υπάρχουν διαθέσιμες θέσεις, αυτές θα δοθούν σε υποψήφιο από τον κατάλογο επιλαχόντων.
